# Get more out of life

Why not? Don't you deserve it?

---

More room to breathe, more control, more freedom. More ways to create moments with the people that really matter.

Sometimes it's only when you get away from the world that you can focus on the important things.

That's why the MG HS isn't just an SUV.

It's an escape, a haven, a chance to reconnect.

A world of opportunity that doesn't cost the earth.

It's time to get more out of life.

# Feature-filled and family-ready

The MG HS is loaded with features that help your family to get more from every journey.

With generous cabin space, there's plenty of room for everyone to relax, while our smart tech gives you mile after mile of smooth comfort. There are also two versions to choose from – Excite and Exclusive – so you can select the perfect MG for your lifestyle.

## 5-Star safety

Travel with the confidence of a 5-Star Euro NCAP safety rating.

## 7 year warranty

For complete peace of mind.

## Spacious interior

Class-leading room at the front, reclining seats at the rear.

## Superior materials

Soft-touch fabrics with leather options on Exclusive models.

## Innovative technology

Keyless entry, colour touchscreen, Apple CarPlay™, Android Auto™ and much more for added convenience.

## MG Pilot

Driver assistance suite to make your journey smoother and safer.

# For better time together

Everything about the MG HS is designed to put your family first.

---

After all, quality time together is precious, so it's only natural that you'd want to make the very most of it. There's plenty of space and comfort, so you can all feel more relaxed from the moment you set off. Plus features such as Adaptive Cruise Control to Traffic Jam Assist from our MG Pilot suite of advanced driver-assistance systems to make your journey stress-free.

In the MG HS, it's easy to look forward to more family moments.

# A bold look

The MG HS gives you sleek SUV styling as well as total practicality. Purposeful and sporty from bumper to bumper, at the front our stellar field grille frames our largest MG badge yet. At the rear, the twin tailpipes and aluminium bumper complete the bold, confident look.

- Rear parking sensors and camera
- Electrically adjustable, folding, heated, body colour door mirrors
- Bi-Function LED headlights with auto-dipping high beam\*
- Front and rear LED sequential indicators\*
- Power tailgate\*  
(Exclusive DCT/Plug-in Hybrid only)
- 18" Hurricane diamond cut alloy wheels
- Silver roof rails

- LED daytime running lights

\*Exclusive only.

Model shown: MG HS Exclusive in Dynamic Red

Actual UK specification may vary from vehicle shown.

# Clever comfort

Slip into the soft touch seats of the MG HS and you'll find yourself surrounded by comfort. And with all that space comes intelligent features to make everyone's life easier - such as reclining rear seats, clever storage, folding cup holders and more.

## Soft touch interior

Everything you touch from the dashboard and interior door trim to the leather seats, is created in rich, soft touch materials, in optional Black or Red/Black\*.

## Superior seating

The carefully designed leather seats provide comfort and support in all the right places. With a one piece back, the sports seats are heated with electric six-way adjustment\*.

## Ambient lighting

Set a softer mood or create a sportier feel with the ambient lighting options\*.

## Intuitive dashboard

Designed with style and simplicity, the MG HS dashboard is focused around a bold 10.1" colour infotainment touchscreen, compatible with Apple CarPlay™ and Android Auto™.

\*Exclusive only.

# Stay better connected

Your MG HS is alive with user-friendly tech touches. From the colour touchscreen to the integrated speaker system, this SUV is bristling with intelligent features to keep you comfortable, connected and in complete control.

## Key features

- 10.1" colour touchscreen
- DAB audio
- Satellite navigation
- Apple CarPlay™
- 6-speaker audio system
- USB mobile phone charging function
- Bluetooth connectivity
- Android Auto™

Actual UK specification may vary from vehicle shown.

# The MG HS Plug-in Hybrid

## High spec, low emissions

Get all the great features of our petrol model along with all the benefits of electric power in the MG HS Plug-in Hybrid. The state-of-the-art electric motor can drive down your emissions, while offering an impressive range between charges. Low CO<sub>2</sub> with zero compromise.

# MG HS Plug-in Hybrid

Real world efficiency, complete performance

---

MG HS Plug-in Hybrid gives you the best of both worlds: efficiency and performance. You can drive for up to 32 miles\* on the electric motor alone, all while your CO<sub>2</sub> emissions are reduced to just 43g/km. Shrinking your carbon footprint and your fuel bills.

There's also plenty of power, with a combined output of 258PS that takes you to 60mph in just 6.9 seconds.

Plus, you can always look forward to a smooth ride, as our innovative 10-speed transmission optimises power delivery and efficiency in both hybrid and electric only mode.

\*EV only driving range of 32 miles combined, 43 miles city.

## Innovation at your fingertips

Your favourite music, useful driver information, comfort controls... the smart tech in your MG HS Plug-in Hybrid puts all this and more within easy reach.

There's Apple CarPlay™ and Android Auto™ to keep you fully connected to your media and messages. As well as a 360° parking camera to give you a clear view in even the tightest parking spots.

You'll also make every trip safer and simpler with our MG Pilot advanced driver assistance technology. It's a comprehensive suite of warning and alert features designed to give you complete confidence on the road.

# MG Pilot

Adaptive Cruise Control (ACC)\*

The MG Pilot suite of high-tech driver assistance technology gives you added confidence on the road. A selection of warning and alert features assist the driver, maintaining safety and simplifying everyday driving.

## Adaptive Cruise Control (ACC)\*

Adaptive Cruise Control monitors the road ahead. As long as the road ahead is clear, ACC maintains the speed set by the driver. If the system spots a slower vehicle within its detection range, it gently reduces speed by releasing the accelerator or actively engaging the brake control system. If the vehicle ahead speeds up or changes lanes, ACC automatically accelerates back to the driver's desired speed.

## Intelligent speed limit assist

The car will actively detect speed limit signs and alert the driver of the current speed limit by way of a symbol on the driver's instrument cluster. The symbol acts as a reminder to the driver, reducing the risk of exceeding the speed limit.

\*Available on DCT and Plug-in models only.

## Blind Spot Detection (BSD)

This system keeps a lookout to help you change lanes safely. A radar sensor serves as BSD's electronic eye, registering objects in hard-to-see areas. Whenever there is a vehicle in the driver's blind spot, a visual signal will show next to the door mirror.

## Intelligent high beam assist

When the headlight high beam is set to the AUTO position, the system automatically switches to low beam when it detects a vehicle ahead. This enables drivers to maximise the use of high beam, making night-time driving safer, without the risk of dazzling oncoming traffic.

## Active Emergency Braking (AEB)

At speeds below 12mph, the car will automatically apply its brakes to avoid a collision with a vehicle, bicycle or pedestrian. At speeds above 12mph, AEB will reduce the likelihood or mitigate the severity of an accident.

## Lane Keep Assist (LKA)

Lane Keep Assist uses a camera to detect lane markings ahead and monitors the vehicle's position in its lane. When the function detects the vehicle is about to unintentionally move out of its lane, it warns the driver by means of a visual, audible and steering wheel vibration. The car will also control the steering to keep within its lane.

## Traffic Jam Assist (TJA)\*

When Adaptive Cruise Control is turned on, Traffic Jam Assist continuously analyses the speed of the surrounding vehicles and compares it with its own driving speed. If the system detects dense traffic or a traffic jam at speeds below 35mph, the driver can activate TJA. The car will automatically follow the vehicle in front, controlling its acceleration, braking and steering within the same lane.

MG HS has achieved the maximum five star rating from Euro NCAP, the world's leading road safety agency. Designed and engineered with a range of active and passive safety systems as standard, MG HS excelled in Euro NCAP's collision protection and avoidance tests which are the most stringent tests ever conducted.

# Aftercare

---

## 7 year warranty

Lasting peace of mind comes as standard with every MG. The MG HS offers the reassurance of our full 7 year / 80,000 mile warranty (which includes the lithium-ion battery in plug-in models).

Our warranty ensures that expert MG technicians will always be able to keep your car in the best of health. It's also fully transferable to future owners.

## MG Service Plans

To enjoy mile after mile of hassle-free motoring, you can avoid the worry of unexpected costs with an MG Service Plan. Your MG will be protected for up to seven years with a mileage range of your choice. And it will have the care and attention of the MG authorised repairer network, offering genuine parts and factory trained staff.

# Our family

The MG HS and MG HS Plug-in Hybrid are part of our dynamic, forward-looking family of cars. Alongside our fully electric cars, the MG ZS EV and MG5 EV Long Range. There's also our fun, nippy hatchback, the MG3, plus the spacious MG ZS Compact SUV.

All new MGs offer the reassurance of our 7 year warranty and the friendly expert support of our nationwide network of professional, experienced dealers.

## Book a test drive today

Get behind the wheel of the MG HS & MG HS Plug-in Hybrid and experience the space, efficiency and smart features first-hand. Book your test drive at your MG dealer today or online at:
